AMEND Senate Bill No. 922*

House Bill No. 1133

by deleting SECTION 1 in its entirety and substituting in lieu thereof the following language:

SECTION 1. Tennessee Code Annotated, Section 6-51-111, is amended by adding the following as a new, appropriately designated subsection:

() In addition to the remedies provided for herein, if, at the time of annexation, the annexed territory is being provided with electric service by a municipal electric system or other state instrumentality, the annexing municipality may offer to purchase all or any part of the electric distribution system of the municipal electric system or other state instrumentality then providing electric service to the area being annexed. The purchase price shall be the fair market value of the properties comprising the electric system, or part thereof, that is being acquired, and payment of such purchase price shall be on terms agreed to by the parties. In the event the parties cannot agree on a purchase price, the acquiring municipality and the municipal electric system or other state instrumentality whose properties are being acquired shall each select a qualified appraiser and the fair market value of the properties being acquired shall be determined using the Uniform Standards of Professional Appraisal Practice and agreed upon by the two (2) qualified appraisers who are selected. In the event the two (2) qualified appraisers are unable to agree on the fair market value of the properties being acquired, they shall jointly select a third qualified appraiser whose determination of the fair market value of the properties being acquired
